#### Interventions and Discussion with Audience Participants

#### Closing Remarks

The IAP is mandated by the UN Secretary-General to assess progress on the 2016-2030 Global Strategy on Women's, Children's and Adolescents' Health in the context of the Sustainable Development Goals from the specific lens of accountability. The report (in English) and summary of recommendations in various languages was launched at a [high-level event](#) during the UN General Assembly in New York in September and is available at: <http://iapreport.org/>
